I, Margarita Snow, am one of Ms. Ellison's student workers. I observed the incident about the files on Feb. 11, 2005. On this date Dr. Lawal came out of his office and saw Ms. Ellison and I doing some filing. He ask what she was doing and she told him filing some documents. He then ask if she was re-organizing and she stated that she was not. He then pointed out to him exactly where each type of documents were located.
